

Kate's K9 Solutions - Learning to Listen 1:1 Package

This process when applied correctly solves all non-medical problems so you can live a happy stress-free life with your dog.

First consult telephone/video call is **FREE**. I may be able to solve your problem on the phone. If you need further help there are **two options**:

- 1. The whole package as described below for £745 saving you £80! (payment plans offered on this package)**
- 2. Tailor your own package and pay as you go.**

The foundation of Dog Listening – 1:1 visit or video call – 4 hrs/2x2hrs £375

I teach you about the four pillars of Canine Communication. We will solve some problems immediately and also explain how to solve the more serious ones which may take time, which is why I offer follow ups to support you in this process. You get a detailed Action Plan and tool kit to help you keep on track.

90min follow up - £100 each (4 included in full package)

These visit/calls will be made following the 1:1 foundation consult. We will use a progress tracker and dog diary to monitor your progress and to set targets for the next follow up. You will receive detailed notes on next steps after each follow up. As questions are raised, I will help you solve every problem and make sure you are making no mistakes. I can show you all the tips and tricks to guarantee success.

Monthly Group Coaching Call - £9.97 p/m (not included in the package)

Get access to your membership dashboard where every coaching call is kept, the lesson on continued progress and all the ever-growing bonus resources. Your coaching call will be held at 6pm the first Tuesday of every month via zoom. Don't worry if you can't attend one month every call is recorded and stored on your dashboard. Each month has a different focus and we will occasionally have guest speakers, interviews and there will always be time for Q&A

Learning to Listen Modules £50

These modules will be sent to you weekly via email, through these modules you will learn about the 4 pillars of Dog Listening and how to implement them at home. This is a great accompaniment to the rest of the course or as a standalone element

1. Understanding Canine Communication
2. The Food Module
3. The Status Module
4. The Danger Module
5. The Walk Module

I am on call for the rest of your dog's life should anything else change or you need assistance again.
